17. Suitable safety rules are to be posted in a prominent location in the Museum workroom and are to be read and understood by anyone wishing to use the equipment before instruction can begin.

18. As is the case with other items of Workshop equipment, the tumblers are under the jurisdiction of the Workshop Manager, or in the case of his non-availability, of his designated alternate. He will keep the tumblers in good repair and operational condition, ready for use at any given time. However, in general, the tumblers will not be operated on the premises of the Museum except at the discretion of the Workshop Manager.

19. Instruction as to the use and proper care of tumblers will be available, either as individual consultation or as formal classes to be arranged given a sufficient number of members.

20. Access to the Museum: With the exception of the Museum Manager and Curator, a minimum of two members shall be required to access the Museum outside of the normal hours of operation. In the event that access to the Museum is required by a single member then notification shall be provided to the Museum Manager via, email, text, or telephone. Communication to the Museum Manager shall include reason for access. The member shall also notify the Museum Manager when they leave the Museum.

AMERICAN FEDERATION OF MINERALOGICAL SOCIETIES

(Adopted by the Gem and Mineral Society of Franklin, N.C., Inc., as its official code of ethics for all members.)

I WILL respect both private and public property and will do no collecting on privately owned land without permission from the owner.

I WILL keep informed on all laws, regulations and rules governing collecting on public lands and will observe them.

I WILL, to the best of my ability, ascertain the boundary lines of property on which I plan to collect.

I WILL use no firearms or blasting materials in collecting areas.

I WILL cause no willful damage to property of any kind such as fences, signs, building, etc.

I WILL leave all gates as found.

I WILL build fires only in designated or safe places and will be certain they are completely extinguished before leaving the area.

I WILL discard no burning materials – matches, cigarettes, etc.

I WILL fill in all excavation holes that may be dangerous to livestock.

I WILL not contaminate wells, creeks, or other water supplies.

I WILL cause no damage to collecting material and will take home only what I can reasonably use.

I WILL support the Rockhound Project H.E.L.P. (Help Eliminate Litter Please) and will leave all collecting areas devoid of litter, regardless of how found.

I WILL cooperate with field trip leaders and those in designated authority in all collecting areas.

I WILL report to my Club or Federation Officers, Bureau of Land Management, or other proper authorities any deposit of petrified wood or other material on public lands which should be protected for the enjoyment of future generations and for public educational and scientific purposes.

I WILL appreciate and protect our heritage of natural resources.

I WILL observe the “Golden Rule”, will use good outdoor manners and will at all times conduct myself in a manner that adds to the stature and public image of rockhounds everywhere.
